

#GWR022 - 10' Spring Style Grounding Cable & Clamp

#34878 - 25' Retractable Grounding Cable & Clamp

For MX100, MX300(EX) and MX360(EX) Series Vacuums:

New NFPA 484 Compliance Standards require all wet mix Immersion Separators to have an independent ground from the facilities electrical system.

***See NFPA N10.5.1.1 for reference**
