

COLLECT, NEUTRALIZE, AND RECYCLE - EASY AS 1... 2... 3... !

NFPA GROUP E METALS

1) Reclaim Cyclone

-Reclaim & Reuse Dry Powders

2) MX360 Series Vacuum

-Submerge ultra fines in Liquid Bath

3) Liquid Filtration System

-Remove the solids & Recycle Liquids

MX ELITE151

Class II, Division 2 Atmospheres

List Price: \$29720

Special: \$25230

MX ELITE151EX

Class II, Division 1 Atmospheres

List Price: \$33025

Special: \$28015

THE MOST TRUSTED POST PRODUCTION CLEANUP SOLUTION.

EXCLUSIVE FEATURES & BENEFITS OF THE MX ELITE PACKAGE:

ONBOARD RECLAIM CYCLONE
9949120

Removes 95% of materials in a dry container.

Reclaim & Reuse Dry Powders.

Increase your team's production while minimizing material waste.

LIQUID FILTRATION SYSTEM
MXR331

Recirculate and recycle the water.

Remove the solids and recycle the liquids.

MXR331003

(10) Replacement Filter Bags:

DISCHARGE SETTLING CHAMBER
884023

Stainless Steel sight glass that gives a visual guide of material buildup inside of your vacuum system.

Removes solids with gravity.

TOOL BASKET
2517602

HOSE HANGER
90992SS02

GROUNDING REEL
34878B

MX ELITE

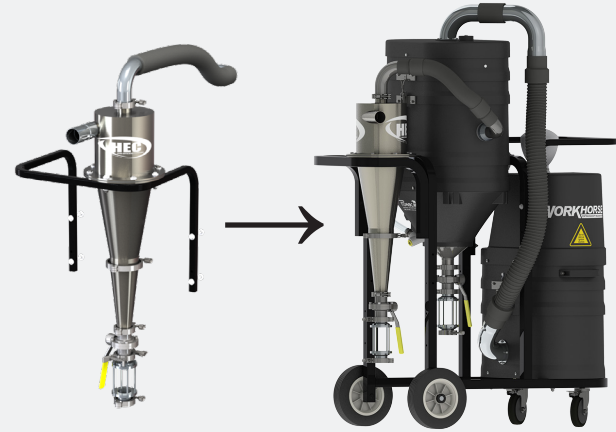

- ETL Certified Explosion Proof Vacuum
- Most Trusted Portable Immersion Vacuum on the Market
- Submerge 100% of intake air in a Liquid Bath Immersion Tank
- 12 Gallon Liquid Collection Capacity
- Hydrogen Relief Valve prevents risk of gaseous build-up

ORS RECLAIM CYCLONE

RECLAIM AND REUSE DRY POWDERS

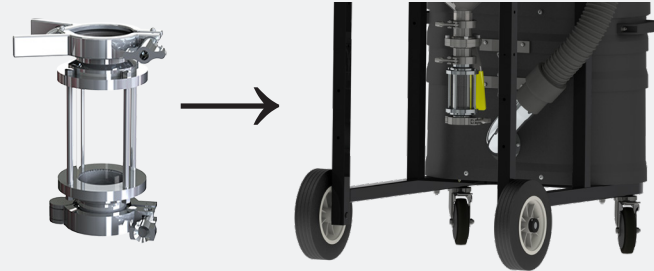

- 95% efficient with sub-micron particles
- Non-sparking sanitary stainless steel
- Mounts directly to the MX361 frame
- Visual Site Glass Collection Container
- Never throw away expensive materials again

DSC SETTLING CHAMBER

REMOVES SOLIDS WITH GRAVITY

- Connects to the discharge of the MX361
- Solids settle via gravity when vacuum is off
- Site Glass for external visual inspection
- Sanitary design for cleaning

MXR FILTRATION SYSTEM

REMOVE THE SOLIDS AND RECYCLE THE LIQUIDS

- Remove a minimum 95% of the solids from the liquid bath
- Low Maintenance design with easy access to filters
- Filter Bag is easily removable with no tools
- Extend the life of your liquid bath
