# POWERHOUSE CON

CONTINUOUS DUTY  
CONTRACTOR LARGE INDUSTRIAL SERIES

**P500-CON**

**Three Phase TEFC Motor, 230/460V, 500 CFM, 10 Hp**

**24 Gallon Collection Capacity**

**Best suited w/continuous duty, large platform surface preparation equipment, and silica dust recovery**

**Available w/3" or 4" Inlet for large volume Dust Collection**

**PB500-CON**

**Three Phase TEFC Motor, 230/460V, 500 CFM, 10 Hp**

**Direct Bagging System**

**Best suited w/continuous duty, large platform surface preparation equipment, and silica dust recovery**

**Available w/3" or 4" Inlet for large volume Dust Collection**
