Dear Customer,

Congratulations on the purchase of your new Ruwac Industrial Vacuum Cleaner!

We stand behind every vacuum we manufacture and pride ourselves in only recommending machines and components that are best suited for your unique application. Our goal is to exceed all of your expectations.

We also want you to be aware of everything that Ruwac offers. This accessory catalog provides you with information on our most popular packages and tools, compares our variety of hoses, and introduces you to our central vacuum products and separation systems.

Need something that you can't find in this catalog? Please, call us. If we do not already carry it, we will find it for you!

Because your business is unique, we want to provide individual solutions for your housekeeping needs. Ask us for a "Needs Assessment" and we will make sure you get just the right vacuum and accessories for your housekeeping needs.

Sincerely,

The Ruwac USA Team

# CLASS I & II DIVISION 1 & 2 EXPLOSION PROOF ACCESSORY PACKAGES - NFPA

## 1.5" CONDUCTIVE, BONDED AND GROUNDED

### PACKAGE #EXP151510CB \*Available with 25' hose

- #359910A 1.5" x 10' explosion proof poly-urethane hose with grounded cuffs
- #3502 1.5" x 54" aluminum two-piece wand with double bend
- #3512AM 14" metal floor tool with anti-static bristles
- #3507 11" aluminum crevice tool
- #3520C 3" round conductive brush, carbon impregnated, nylon bristles

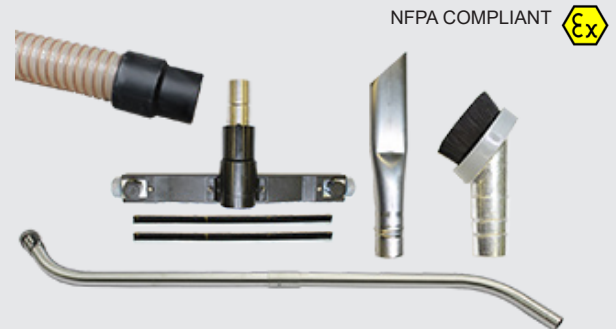

Ruwac's #EXP151510CB is engineered for explosion proof applications and includes a 1.5" x 10' flexible grounded poly-urethane hose along with 1.5" tools. This explosion proof kit has everything you need to clean fine dust off of your production equipment, floors and walls. No wonder this is Ruwac's **BEST SELLING** package.

### PACKAGE #EXP151510FCB \*Available with 25' hose

- #359910A 1.5" x 10' explosion proof poly-urethane hose with grounded cuffs
- #3502 1.5" x 54" aluminum two-piece wand with double bend
- #35658 16" rubber floor tool, conductive rubber and rollers for effortless cleaning of large floor areas
- #3507 11" aluminum crevice tool
- #3520C 3" round conductive brush, carbon impregnated, nylon bristles

For those who want to clean large areas of floor while also having the tools to clean process equipment. Package #EXP151510FCB is an extremely popular package because of its versatility and effectiveness at picking up combustible dusts regardless of the application.

### PACKAGE #EXP15ER

- #356160 Quantity (2) - 1.5" x 60" straight aluminum wands w/ coupling to receive tools
- #3509H 9" x 1.5" aluminum wall brush with horsehair bristles
- #3545 4-6" x 1.5" curved metal tool for removing ultra fine dust off overhead pipes. Nylon bristles

Ruwac's #EXP15ER is essential for any building with overhead piping, ductwork, rafters or columns where ultra-fine dust can build up over time. Cleaning this dust before it is disturbed and becomes airborne could prevent products below from being contaminated and can also help to prevent an explosion.

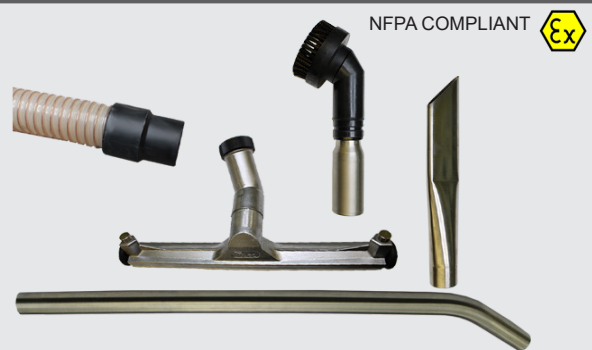

## 2" CONDUCTIVE, BONDED AND GROUNDED

### PACKAGE #EXP202025FC

- #509925A 2" x 25' explosion proof poly-urethane hose with grounded cuffs
- #5003S 2" x 45" stainless steel wand with single bend
- #5016S 15" stainless steel crevice tool
- #5060 20" aluminum floor tool with rollers and rubber strips
- #50652 4" conductive round rubber brush w/ brass bristles

Ruwac's #EXP202025FC is engineered for explosion proof applications and comes with a 2" x 25' flexible poly-urethane hose along with 2" tools. The 2" explosion proof kit has everything you need to clean fine dust off of your production equipment. The addition of the 20" floor tool with rollers gives you the ability to effortlessly clean large floor areas without wearing down the tool's rubber strips.

### PACKAGE #EXP20ER

- #3509N 9" nylon bristle wall brush
- #5038-BL 2" x 54" aluminum wand w/BL
- #503710-BL 54" aluminum wand extension w/BL
- #3545 4-6", metal, pipe cleaning tool

The #EXP20ER is designed for overhead pipes, ductwork, rafters, and walls where fine dust can build up over time. Cleaning this dust before it is disturbed and becomes airborne could prevent contamination and help to prevent an explosion.

# CLASS II DIVISION 2 INDUSTRIAL GROUNDED ACCESSORY PACKAGES

## 1.5" GROUNDED

### PACKAGE #IND151510C

- #353410A 1.5" X 10' flexible, anti-static vinyl hose with grounded cuffs
- #3502 1.5" x 54" aluminum two-piece wand with double bend
- #3512AM 14" metal floor tool with anti-static bristles
- #3507 11" aluminum crevice tool

Ruwac's #IND151510C can be used with many different Ruwac vacuums however it is most commonly paired with the R150 "Shop Vac Killer". Class II Division 2 and fully grounded, the #IND151510C is perfect for bakeries and any other application that has fine dusts, powders or ingredients.

### PACKAGE #IND15ER

- #356160 1.5" x 60" straight aluminum wand with coupling to receive tools
- #3509N 9" x 1.5" aluminum wall brush with nylon bristles

Ruwac's #IND15ER is a lightweight wall cleaning package that includes a 5 foot aluminum wand as well as a 9" aluminum brush with nylon bristles. Clean the walls of your manufacturing or processing plant and extend your reach for other hard to reach areas.

## 2" GROUNDED

### PACKAGE #IND152010

**\*Available with 25' hose**

- #502710A 2" x 10' flexible, anti-static vinyl hose with grounded cuffs
- #5004 2" x 56" 2 piece chrome wand with double bend and 1.5" coupler
- #3512AM 14" metal floor tool with anti-static bristles

Ruwac's #IND152010 is the 2" starter kit for industrial packages containing a 2" x 10' flexible anti-static vinyl hose, a 56" chrome wand and a 14" metal floor tool with bristles.

### PACKAGE #IND202010F

**\*Available with 25' hose**

- #502710A 2" x 10' flexible, anti-static vinyl hose with grounded cuffs
- #5003 2" x 45" one-piece chrome wand with single bend
- #5060 20" aluminum floor tool with rollers and rubber strips

The #IND202010F is designed for large surface floor cleaning. The 20" floor tool with rollers effortlessly glides across the ground and is perfect for a variety of industries and applications.

### PACKAGE #IND202010HDF

**\*Available with 25' hose**

- #502010A 2" x 10' flexible, grounded heavy duty urethane hose
- #5003 2" x 45" one-piece chrome wand with single bend
- #5060 20" aluminum floor tool with rollers and rubber strips.

The #IND202010HDF is designed for large floor cleaning applications and general housekeeping of rough abrasive materials. The 20" floor tool with rollers effortlessly glides across the ground while the heavy duty urethane hose ensures longevity and performance, even against the toughest materials.

### PACKAGE #IND152013HT

- #501713B 2" x 13' high temp flexible silicone hose. Maximum temp 540°F
- #356160 1.5" x 60" straight aluminum wand with tool coupling to receive the #351512 oven tool
- #351512 1.5" x 12" aluminum oven cleaning tool with a flat metal bottom

Ruwac's #IND152013HT is a popular package for bakeries, pizza shops, food manufacturing plants and any other business with hot ovens. The high temperature silicone hose is 13' long for deep ovens and rated up to 540°F. The 5 foot aluminum wand attaches to the 12 inch oven cleaning tool and leaves no crumbs behind.

### PACKAGE #IND152010FCB \*Available with 25' hose

- #5222 2" OD connector to 1.5" tool coupler, stainless steel, adapter
- #5004 2" x 56" 2-piece wand
- #3512AM 14" floor tool w/anti-static bristles
- #502710A 2" x 10' flexible vinyl hose
- #3507 11" aluminum crevice tool
- #3520C 3" round conductive brush, carbon impregnated, nylon bristles

Ruwac's #IND152010FCB is the 2" kit for industrial packages containing a 2" x 10' or optional 2" x 25' flexible antistatic vinyl hose including a vacuum wand, floor tool, and hand accessories for cleaning hard to reach areas.

### PACKAGE #IND202010FCB \*Available with 25' hose

- #5003 45" single piece chrome steel wand
- #5060 20" floor tool
- #502710A 2" x 10' flexible vinyl hose
- #5016 15" aluminum crevice tool
- #50660 3" round brush w/2" stainless steel hose connector

The #IND202010FCB is designed for general purpose cleaning. Our flexible grounded hose and the 20" floor tool with rollers effortlessly glides across the ground and is perfect for a variety of industries and applications. The included 3" round brush and 15" crevice tool are great for cleaning in and around equipment and tight spaces.

### PACKAGE #IND202025PC

- #5004 2" x 56" wand, DBL bend, CHROM 2 PC, 1.5" metal tool coupling
- #3512AM 14" floor tool, metal body with anti-static bristles
- #5038 2" x 54" wand, aluminum, straight
- #3509N 9" wall brush, nylon bristles
- #5222 adapter, stainless, 2" OD connector to 1.5" tool coupler
- #502725A 2" x 10' or 2" x 25' hose, flexible vinyl, grounded with rubber cuffs

Ruwac's #IND202025PC 2" accessory kit was designed with the powder coater in mind. Commonly used accessories were combined to create the ultimate powder coating accessory kit to effortlessly clean your spray booth floor, walls, and equipment from overspray and other debris. Available in 10' or 25' hose lengths.

Easily collect fine to heavy bulk materials with Ruwac tools and vacuums.

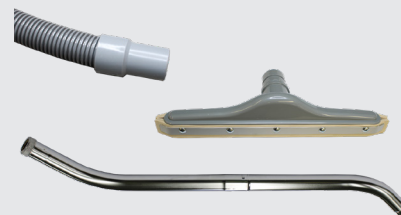

2" GROUNDED POWDER COATING KIT

## NON-GROUNDED, FINAL CLEAN, DRY COLLECTION

### PACKAGE #CON152010 \*Available with 25' hose

- #5004 2" x 56" 2-piece wand
- #3517GR 14" floor tool (squeegee)
- #501410C 2" x 10' plastic crush proof hose

The **General Purpose Package** by Ruwac is ideal for use with any Ruwac portable vacuum designed for many applications.

## NON-GROUNDED, WET COLLECTION

### PACKAGE #CON151510W \*Available with 25' hose

- #5225-BL 2" x 1.5" x 6.5" long SS reducer with button lock
- #3517GR 14" floor tool, squeegee, double bladed, natural rubber
- #3502 1.5" x 54", aluminum, 2-piece wand, 1.5" tool coupler
- #351610C 1.5" x 10' hose, plastic crush proof, non-grounded cuffs

The **1.5" Wet Collection Accessory Package** by Ruwac includes 1.5" tools and is ideal for use with any Ruwac portable vacuum designed for wet applications such as those found within our SumpPro Series.

# HOSE CONNECTORS AND Y-ADAPTERS

## 1.5" - CLASS II, DIVISION 2

### 1.5" RUBBER BODY TOOLS

**1.5" Food Grade Kit**  
Rubber Body

**NEW RELEASE**

Part #	Description
FGA15	Food grade tools - high visability bristles

**1.5" Wide Mouth Tool**  
Rubber Body

Part #	Description
35663	Wide mouth rubber tool - blue

**22" Vacuum Nozzle**  
Rubber

Part #	Description
350822	22" Flexible nozzle

\* Indicates that product is shown in the image

### 1.5" WANDS

**1.5" x 60" Straight**  
Recommended for Overhead Cleaning and walls

Part #	Description
356160	1.5"x60" Straight aluminum wand 1.5" OD x 1.5" Tool coupler

**1.5" x 60" Single Bend**  
Recommended for Overhead Cleaning and walls

Part #	Description
356360	1.5"x60" Aluminum wand with 45° single bend - 1.5" OD x 1.5" Tool coupler
356460	1.5"x60" Aluminum wand with 90° single bend - 1.5" OD x 1.5" Tool coupler

**1.5" x 54" Double Bend**  
Recommended for floors

Part #	Description
35021S	1.5"x54" Stainless wand with double bend 1.5" OD x 1.5" Tool coupler
*3502	1.5"x54" Aluminum wand with double bend 1.5" OD x 1.5" Tool coupler

## RUWAC TOOL MANAGEMENT

**Stainless Steel Hose Hanger**  
#90992SS

Attaches to front of vacuum housing for organized hose management.

**Tool Bag**  
#99980

Fits a 25' hose and accessories! strap it onto your vacuum's handle and always have your tools within reach.

**Tool Basket Kit**  
#25176

Store your tools for convenient access!

## 2" - CLASS II, DIVISION 2

### 2" RUBBER BODY TOOLS

**2" Food Grade Kit**  
Rubber Body

Part #	Description
FGA20	Food grade tools - high visibility bristles
FGA20-BL	Food grade tools - high visibility bristles with BL

**2" Wide Mouth Tool**  
Rubber Body

Part #	Description
*50663	Wide mouth rubber tool - blue
50663-BL	Wide mouth rubber tool - blue w / BL

**NEW RELEASE**

**5" Utility Tool**  
Oil Resistant Rubber Body

Part #	Description
5011	2" x 5" Rubber utility tool - oil resistant

Requires a wand below with tapered tool connection

**3" Brush**  
Rubber Body

Part #	Description
5034	2" x 3" Rubber body brush
503401	2" x 3" Rubber body brush w/2" hose connector

Requires a wand below with tapered tool connection

\* Indicates that product is shown in the image

### 2" WANDS

**2" x 18" Single Bend with Tapered Tool Connection**

Part #	Description
*5010	Chrome wand
5010-BL	Chrome w/button lock wand
5010-S	Stainless steel wand
5010S-BL	Stainless steel w/BL wand

**2" x 45" Single Bend with Tapered Tool Connection**

Part #	Description
*5003	Friction fit, chrome wand
5003-BL	Friction fit, chrome w/BL wand

**2" x 56" Double Bend with 1.5" Tool Coupler**  
For use with 2" hose and 1.5" tools

Part #	Description
5004	Chrome wand w / coupler for 1.5" tools

### 2" METAL TOOLS

**24" Crevice Tool**  
Chrome Body

Part #	Description
*5008	24" Crevice tool
5008-BL	24" Crevice tool w / button lock

**32" Floor Sweep**

**PART #5018**

WORKHORSE PORTABLE (EX)  
MX300 (EX)

PART #2004024  
RED LINE BAGGER  
WORKHORSE BAGGER  
MX360 (EX)

Ruwac's **Dust Extraction Swing Arm** safely removes airborne dusts, gases and smoke emitted during manufacturing processes such as stirring and mixing, dumping, pouring and welding. The Dust Arm continues to be one of Ruwac's best selling accessories because of how easy it is to install onto the vacuum, it's hands-free ease of use and unparalleled effectiveness for ultra-fine point of source dust collection.

**LOC-LINE DUST ARM**  
FOOD GRADE

**NEW RELEASE**  
2" #89233 | 3" #89234

**WALL MOUNTED DUST EXTRACTION ARM**

STIRRING AND MIXING  
DUMPING AND POURING

Ruwac's anti-static **Loc-Line Dust Extraction Arm** is manufactured out of a **Food Grade** material making it an ideal attachment for bakeries, pizza shops and food processing plants. The arm connects to a Ruwac hose and clamps onto a mixing bowl, dumping station, or wherever you need suction for point of source dust extraction. Bend the Loc-Line arm into the configuration that fits your needs and the arm will stay in that position until altered.

## LARGE SURFACE FLOOR CLEANING - FLOOR SWEEPS

FIRING RANGES - LEAD DUST

FLOUR AND OTHER FINE DUST

32" FLOOR SWEEP  
DRY MATERIALS

### Dry Applications

Includes squeegee & brush

### Part # Description

- \*5018 32" Floor sweep assembly, 2" inlet
- 7004 32" Floor sweep assembly, 3" inlet
- 5018DB 32" Floor sweep assembly, 2" inlet for direct bagger
- 7004DB 32" Floor sweep assembly, 3" inlet for direct bagger

The 32" Floor Sweep is one of Ruwac's most requested attachments because of its extreme versatility and effectiveness. The floor sweep simply mounts onto the front of your Ruwac vacuum via pre-drilled mounting holes and connects to the inlet of the vacuum. Models for wet or dry materials available.

### Wet Applications:

Includes two squeegees

### Part # Description

- 501833-2 Use with WSP2000 / H8G110
- 501833-4 Use with WSP4000 / H18G110
- 501833-6 Use with "Flood Vac"
- 5018SLRY Use with "Slurry Pro"

Ruwac's 42" Floor Sweep, is specifically designed for wet Slurry collection. Large surface floor cleaning has never been this easy and will save your crew both time and money. Only use with the Ruwac Slurry Pro vacuum.

## PORTABLE CYCLONES

Ruwac's High Efficiency Cyclones (HEC) are a combination of a cyclone and a collection drum. For combustible applications use the 30 gallon drum which is <math>8^{ft^3}</math> which meets the current NFPA requirements. HEC systems are designed to increase your vacuum's collection capacity while extending the life of your vacuum filter and increasing production. Because the cyclones are over 95% efficient with ultra fine dust, you can vacuum for longer periods of time with NO SUCTION LOSS.

12" HEC XLT

No more filter clogs  
Combustible dust options  
Increase collection capacity

### TYPE S STANDARD

#### HEC-S

- 30 or 55 gallons
- 95% Efficient
- Easy Mobility
- Bulk Dust Collection

### TYPE XLT EQUALIZE, LIFT & TIP

#### HEC-XLT

- 30 Gallon
- 95% Efficient
- Easy Mobility
- Lifting Mechanism
- Tipping Mechanism
- Equalizer for Plastic Bag Liner
- Forklift Pockets
- Easy Dust Disposal

### TYPE DB DIRECT BAGGER

#### HEC-DB

- Direct Bagging
- 95% Efficient
- Easy Mobility
- Easy Dust Disposal

### TYPE BG BLAST GATE

#### HEC-BG

- 8" Airtight Blast gate
- 95% Efficient
- Manual Discharge
- Easy Mobility
- Easy Dust Disposal
- Forklift Pockets

## SUPERIOR PERFORMANCE, COST EFFECTIVE SOLUTIONS

Supplying Industrial Vacuum equipment worldwide, we pride ourselves in providing cost effective solutions for general housekeeping to point-of-source extraction while utilizing our unique, state-of-the-art filtration and vacuum systems. Let us assist you with all of your vacuuming needs!

## SOME OF THE VACUUM SYSTEMS WE OFFER:

- Portable Industrial Vacuums
- Explosion Proof Vacuums
- HEPA Vacuums
- Central & Compact Central Systems
- Direct Bagger Vacuums
- Wet Collectors & Immersion Separators
- Continuous Duty Vacuums
- Point of Source Extraction
- Sump Vacuums
- Bulk Collection Systems
- Reclaim and Reuse Systems
- Vacuum Assist Systems
- High Temperature Systems
- Alternative Powered Vacuums

## OEM OPPORTUNITIES:

With Ruwac's extensive product solutions and custom engineering capabilities, we can work together to find a vacuum solution that works with your equipment. Let the vacuum experts insure that your process equipment is dust free.

## INDUSTRIES AND APPLICATIONS:

- Additive Manufacturing
- Food, Grain and Bakeries
- Firing Ranges
- Powder Coating
- Concrete and Silica Dust
- Asbestos and Vermiculite
- Barber Shops
- Metal Working
- Pharmaceuticals
- Welding
- Drywall Sanding
- Wood Floor Finishing
- Automobile Manufacturing
- Oven Cleaning
- Overhead Cleaning
- Slurry Collection
